

Rack Models:

The carpet-covered NXAMP racks are built with 15mm birch wood and feature an inner suspended steel frame designed to carry the individual units and power distribution for the larger rack models, while providing a high level of protection while touring.

1 Unit NXAMP Rack

6U rack that can hold one sleeve frame, one patch panel and either one NXAMP 4x1 or NXAMP 4x4. (To power NXAMP in 1 Unit NXAMP Rack, utilize powercons on NXAMP Patch Panel).

2 Unit NXAMP Rack

14U Rack that can hold 2 x sleeve frames, 2 x NXAMP patch panels, either 2x NXAMP 4x1 or 2x NXAMP 4x4, one Power Distribution unit. Features a removable back and 4 wheels for easy transport.

3 Unit NXAMP Rack

20U Rack that can hold 3 x sleeve frames, 3x NXAMP patch panels, either 3 x NXAMP 4x1 or 3 x NXAMP 4x4, one Power Distribution unit. features a removable back and 4 wheels for easy transport.

The NXAMP racks represent the new universal NEXO standard for touring applications. Quick and easy to configure, the racks optimise the performance of all NEXO systems.

Available in three sizes, the NXAMP racks maximize the versatility of the NXAMP 4x1 and the output capabilities of the NXAMP 4x4, while providing a plug and play solution for either analogue or digital audio applications. Each rack model provides a universal solution for all NEXO systems.

Utilizing an original design of Sleeve Frames in which NXAMPs and their patch panels can be easily added and removed, the racks can quickly be configured to respond to the widest possible range of applications, providing a highly modular amplification solution for NEXO touring partners.

NEXO is one of the world's leading sound reinforcement loudspeaker manufacturers. Founded in 1979, the company is dedicated to crafting practical solutions with solid engineering. Each new design begins with a proprietary sophisticated computer simulation process that allows every parameter to be extensively modeled and simulated, leading to breakthrough cost and performance gains. NEXO's comprehensive product line includes loudspeakers, analogue and digital control electronics and amplification; all designed to deliver consistent sound quality and long term reliability for a broad range of applications.

NXAMP Sleeve Frames

Constructed of 1.6mm steel, the NXAMP sleeve frame can accommodate one NXAMP patch panel and one NXAMP 4x1 or 4x4. By 'pre-loading' the amplifier and patch panel in a Sleeve Frame, amp racks can be quickly and easily configured to suit each application.

NXAMP Patch Panel

The NXAMP Patch Panel enables NEXO systems to be used with analogue or digital audio signals and facilitates integration into digital audio networks.

Connectivity:

- 4x XLR inputs and 4x XLR outputs
- 4x Speakon 4
- 2x Speakon 8
- 1x ES in
- 1x ES out
- 1x ES control

NXAMP Power Distribution Unit

The NXAMP Power Distribution Unit is fitted with a 380V/32A 3 Pin male connector to ensure global compatibility.

Specifications

- NXAMP distro box to directly connect a rack with up to 3 NXAMP4x4 to a 3 x 32 Amp distribution.
- Input on 380V/32A 3P+N+E female with socket directly fitted on the metal box.
- Output on 8 x 20 A Powercon male (NAC3FCA) at the back (xx meters cable included).
- 8 individual breakers accessible on the front panel to protect each Powercon output individually.

NXAMP 4x1 & 4x4

NXAMP 4x1 & 4x4: Powered TDcontrollers deliver an innovative and cost-efficient solution for the full integration of speaker and amplifier control with output capacities. With NEXO's latest generation TDcontroller technology built into the amplifier, all parameters are under central DSP control to deliver a unique combination of high level security and real-time performance.

LIMITED WARRANTY

NEXO loudspeakers and electronics are covered against defects in workmanship or materials for a period of two (2) years from the original date of purchase. At the option of NEXO the defective item will be repaired/replaced with no charge for materials/labour. The item is to be adequately packaged and dispatched, pre-paid, to a NEXO authorised distributor/service centre. Unauthorised repair shall void the warranty. The NEXO warranty does not cover cosmetics or finish and does not apply to any items which in NEXO's opinion have failed due to used abuse, accidents, modifications or any type of misuse. All images and text herein are the property of NEXO SA, and deemed accurate, although specifications are subject to change without notice.
